

## MEET OUR NEW PRESIDENT

My name is Maribel Fausto, and I've lived in Tehama County my entire life. This community has shaped who I am, and it's the reason I'm so passionate about giving back. For the past 10 years, I've been part of LOTC, a role that has allowed me to connect with so many incredible people and support local efforts that truly matter.

I also work full time at Shasta College, where I enjoy being part of an environment that helps students grow and succeed. One of the things I love most—both in my job and in my community work—is being able to help others by sharing resources, information, and support. It's important to me that people feel seen, heard, and connected to the tools they need.

Tehama County is home, and I'm grateful for every opportunity to contribute to the place and people I care about.
